

# your future made with IBM

IBM BTO BCS in Cracow is one of the leading international companies providing business process support services. In our center we are providing accounting and financial services to foreign customers in three core processes: Accounts Payables, Accounts Receivable and General Ledger.

Work location: Poland, Kraków, Armii Krajowej 18  
Ref no.: **21697BR**

## (Junior) Accountant/AR Analyst with Dutch

### What makes IBM BTO unique:

- global communication: want to improve your language skills? We will invest in you!
- flexibility: employee development matters to us, that's why every vacancy is open for internal recruitment
- diversity: different nationalities united in one team
- initiative: have ideas for improvements? We want to hear them!

### Scope of duties:

#### GL Department

- General Accounting – Journal entries preparation and processing
- Month end close activities
- BS analysis
- Close books & consolidate financial results
- Accounts reconciliation

#### PTP Department

- reviewing financial process documentation
- customer support in daily activities
- monitoring service reports in accounting systems

#### OTC Department

- cash collection by phone
- interacting with customers, client or third party providers to collect: money for overdue transactions, missing payment instructions, missing claim documentation, information on current AR
- transaction processing in the area of billing

### We are looking for candidates with:

- very good language skills both written and spoken in Dutch (C1)
- good English (B2)
- good command of Excel
- SAP as an asset

### We guarantee you:

- job contract
- the opportunity to participate in training and language courses
- an extensive benefits package (Multisport, healthcare, life insurance)
- an induction training that will allow you to smoothly transition into your new role
